

# Cigar.Tang

The mission of design is to make business beautiful and simple.

I have 4 years of **Frontend development** and 10 years of **UX design experience**.

## Work Experience

---

### **Product Designer** / Cisco.com, shanghai

Jul 2008 – Nov 2010

- **Responsibilities:** Revamp the NPS system design for the Cisco Developer platform. Designing a brand new VS Code extension([API Insights](#)) to level up our API quality.
- **Achievements:** Recognized with the “Innovate Everywhere” award by peers for teamwork in designing a new VS Code Extension.

### **UED Group Leader** / Ping An Smart City, Shanghai

Jun 2018 – Dec 2021

My role is to work cross-functionally with technical and 4 creative team members to research, design, develop, build, and push the limits of digital and passenger onboard experiences for our In-house products like SaaS, BIMV, and IoT.

### **UED Leader** / IWJW.com, Shanghai

Aug 2015 – Jun 2018

I was responsible for the UX design of the Property Search App+Web, and completed the visual and interactive experience optimization of version 2.1, saving about 10 seconds.

I was promoted to UED Manager after 1 year and led 6 team members to be responsible for the iteration of the product line across the platform, and was responsible for intra-team sharing and training of new staff, and participated in the customized work plan to plan the iteration of the core product features after 2017.

### **Senior UX Designer** / CITIC Group – MaDai Financial Management, Shanghai

Dec 2014 – Jul 2015

I worked with the product technology team to build a new Web 1.0 front/back office system for our investment products in 3 months, and we also released a WebApp for our WeChat Platform, which has generated over RMB3.9 billion for over 3 million investors.

### **UX Designer** / Pactera.com, Shanghai, BG2 – Global UED Team

Jul 2013 – Dec 2014

My team consists of Chinese and foreign professionals and serves large overseas clients. I have worked with my team to deliver projects in various industries, including banking, retail, pharmaceuticals, and insurance.

### **UI Designer + Frontend** / Dyna-Art Technology (Shanghai) Investment Co., Shanghai

Jul 2012 – Jun 2013

We created a community for the art hobby, which a startup launched with an optimal mix of staff, and I was responsible for the design + front-end development work, which took five months for the community to go live.

### **Interaction Designer** / fengyuzhu.com, shanghai

Jan 2011 – Jul 2012

I worked for a leading company in China's exhibition and display industry, delivering over 20 designs solutions for 7+ provincial capital city planning pavilions, The company was successfully listed on the SSE (603466) in October 2017.
